Mr. Perry,

I would like to express my thanks to you and your company, Bill Perry & Associates, Inc. for the services that was provided at the Bonita Bay Club.

During our major renovation it was determined that the club needed a fire watch to continue the building process by The Bonita Springs Fire Department or we would be shut down. In our time of need we found your company to perform on a days notice to continue the renovation.

The service provided was exceptional and professionally handled with your officers. It is a pleasure to work with you, and your fine crew to help us get thru this process. Once again thanks for a job well done.

Sincerely,
Mike Sears
Chief Engineer
